

## Privacy Policy

**Update time: March 21, 2021**

**Effective time: March 21, 2021**

Protecting your privacy is important to us. We hope the following statement will help you understand how UverVideo deals with the personal identifiable information ('PII') you may occasionally provide to us via Internet .

Generally, we do not collect any PII from you when you download our applications. To be specific, we do not require the consumers to get registered before downloading the application, nor do we keep track of the consumers' visits of our application, we even don't have a Server to store such PII.

UverVideo will never collect and store any face data when you use our application. And any PII can not be shared with any third parties.

When you use UverVideo related editing services, based on legal requirements or necessary to implement functions, we need to obtain your confirmation to retrieve the local video, audio, image and other files you need to use for editing. You have the right to refuse to provide us with this information, or withdraw your authorization and consent to this information. Please understand that refusing or withdrawing the authorization consent will cause you to be unable to use the specific functions, but it will not affect your use of other functions of "UverVideo".

To help us better understand the operation of UverVideo and related services in order to ensure the safety of operation and provision of services, we may record network log information, as well as the frequency of software and related services, crash data, overall installation, and usage , Performance data and other information, will not record your personal information.

The only situation we may get access to your PII is when you personally decide to email us your feedback or to provide us with a bug report. The PII we may get from you in that situation are strictly limited to your name, email address and your survey response only.

In above situation, we guarantee that your PII will only be used for contacting you and improving our services. We will never use such information (e.g. your name and email address) for any other purposes, such as to further market our products, or to disclose your personal information to a third party for commercial gains.

It should be noted that whether or not to send us your feedback or bug report is a completely voluntary initiative upon your own decision. If you have concern about your PII being misused, or if you want further information about our privacy policy and what it means, please feel free to send us an email ([uvervideo.support@mail.xiguaikeji.com](mailto:uvervideo.support@mail.xiguaikeji.com)), we will try our best to provide clear answers to your questions.

**In addition, for better user service and experience, the "UverVideo" software and related services will be updated and changed from time to time, and we will revise this privacy policy in due course. . But it is stated that you clearly agree that we will not reduce your rights based on this policy of internal performance. When the ownership policy undergoes major changes, we will publish and provide you with a notice of the change in an appropriate manner. Please make sure you read the copyright policy revisions carefully. If you continue to use the "UverVideo" software and related services, you agree to the revised content of this policy.**
